

LCP Transportation LLC

LCP's mission is to provide effective transportation solutions that enhance the quality of life for the communities we serve, through innovative, practical and efficient services.

LCP Transportation, LLC is a proven provider of non-emergency transportation solutions. Established in 1998, LCP continues to be a valued partner with local MCOs and HMOs, providing efficient transportation management and customer service. The company strategically focuses on core disciplines such as Medicaid transportation, transportation brokering and utilization management reporting.
